

Directions for CT Contrast

There are no diet restrictions for this test. You may eat and drink as normal up to 2 hours prior to your arrival time.

2 hours before your arrival time:

- Drink one (1) bottle of contrast
- You may not have solid foods once you have started drinking the contrast
- You may drink clear liquids, and you may take your medication

1 hour before your arrival time:

- Drink the second bottle of contrast

Please bring your completed History form with you to your appointment.

If you have a Power Port, please remember to bring your port card.

If you need to cancel or reschedule, please call your physician's office.
